The Baycrest Client and Family Partner Panel (CFPP)

The Baycrest Client and Family Partner Panel (CFPP) works to create a more client and family-centred care environment and experience at Baycrest.

The group works collaboratively with staff and care providers to offer the perspective of patients, residents and families on initiatives, programs, services and policies at Baycrest.

The Baycrest CFPP plays an essential role in enriching patient, resident and family experiences throughout Baycrest with valuable perspective.

PROGRAM EXPECTATIONS

Baycrest Experience

All Client and Family Partners are required to have a personal connection or relationship with Baycrest in the last two years, or reside in the community.

Time Commitment

Partners are required to commit to the Panel for a minimum of two years. Each Partner will be involved with at least one committee or one ongoing project. Most of the roles require availability during regular business hours between Monday to Friday.

Passion and Compassion

The CFP Panel is an important and valuable resource that supports Baycrest on a wide array of initiatives. The Panel is comprised of a group of dynamic, engaged, and passionate individuals and their devotion and compassion are essential to the Panel's success.

Hospital Policies and Procedures

Partners must adhere to all Baycrest policies and procedures, which will be provided upon joining.

CRITERIA AND EXPECTATIONS

Prospective Partners must clearly understand the program criteria and expectations to ensure a beneficial match. After reviewing the overview and eligibility, if you are willing to donate your time towards a commitment that will make a positive impact in our community, we welcome your application.

The Baycrest Client and Family Partner Panel plays an essential role in enriching patient, resident and family experiences throughout Baycrest and we value your input.
