Be part of our tradition of care.

Baycrest

Baycrest

For nearly a century, Baycrest has been at the forefront of seniors' care and brain research. Today, Baycrest is recognized as the global leader in innovative care delivery and cutting-edge cognitive neuroscience focused on the needs of seniors and the aging population.

Volunteering at Baycrest

Every day volunteers make a difference in the lives of our patients, residents and their families by contributing their time, compassion, energy and skills.

We offer specialized training to help volunteers work directly with clients, assist professional teams, provide a variety of administrative functions or lend a hand to our Foundation with events that support our programs and services.

Our more than 2000 volunteers act as our ambassadors and are a valued part of the Baycrest community.

Volunteering is rewarding

- Learn new skills
- Share your knowledge
- Gain new experiences
- Explore careers in health care
- Be part of a community of 2,000 volunteers
- Know you're making a difference in the lives of our residents and patients

Our volunteers are:

- Caring
- Creative
- Compassionate
- Resourceful
- Responsible

Our goal is to provide a volunteer placement that benefits you and enhances quality of life for our patients and residents.
