

A WALK FOR THE AGES

A WALK FOR THE AGES
In Support of Baycrest

Baycrest

A Walk for the Ages in support of Baycrest is a new fundraising event created by the Baycrest Foundation to raise awareness and funds in support of our quest to defeat dementia while ensuring Baycrest continues to be a world leader in ongoing care, research, education and innovation in the field of brain health and aging.

Together, we can help older adults everywhere live their best lives.

A corporate and family friendly event, it offers participants an exclusive morning walk through Canada's Wonderland, followed by... an all-access pass for rides and the waterpark at the world-famous venue. No matter your age, A Walk for the Ages is where families, friends and companies come together to raise money to build a future where every older adult enjoys a life of purpose, inspiration and fulfilment.

Date: Sunday, June 6, 2021

Time: 7:30 a.m. - 10 a.m. (exclusive walk) then 10 a.m. until park closure

Location: Canada's Wonderland
