HOW DO I FIND OUT HOW MY TEAM IS DOING?

**STEP 1: CLICK MY TEAM**

**Dementia:: A Caregiver's Guide**

Dementia: A Caregiver’s Guide teaches caregivers how to help the person with dementia remain active and participate in meaningful activities for as long as possible. It also highlights the need for caregivers to take time to care for themselves.

**STEP 2: VIEW**

- **PROGRAM**: The Curriculum in which your staff are enrolled.
- **STATUS**: Are they compliant?
- **% COMPLETE**: How much have they finished?

**PAGE #’S**: If you have a lot of staff you may need to go between pages?
