

Welcome to your virtual social recreation at Baycrest!

In response to the current restrictions due to COVID-19, we are creating digital content to support social and recreational engagement with residents and clients across the campus.

This newsletter will let you know about the digital offerings available for you to use.

We are aiming to update this newsletter weekly with the addition of new content!

Below you will find a listing of current video offerings and iPad app's that have been preloaded. Watch out for future content from staff, contributing artists, and other performers. We are aiming to provide a wide variety of programming to meet the interests and needs across our campus during this time. Your suggestions are welcome!

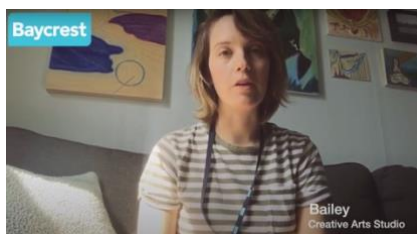

Enjoy!
