After making inquiries of Deb Galet, Interim President and CEO, and other appropriate officers of the HSP and subject to any exceptions identified on Appendix 1 to this Declaration of Compliance, to the best of the Board’s knowledge and belief, the HSP has fulfilled, its obligations under Agreement during the Applicable Period.

Appendix 1 - Exceptions

[Please identify each obligation under the LSAA that the HSP did not meet during the Applicable Period, together with an explanation as to why the obligation was not met and an estimated date by which the HSP expects to be in compliance.]

Commitment to a balanced budget

As previously reported to the Ministry of Long Term Care, the Baycrest Hospital has historically been able to balance the combined budgets of the hospital and long-term care home; however, the growing structural deficit in the long-term care home has made it impossible to balance.

Compliance with this indicator will be dependent on a correction to the funding formula.
