Clinical Update Conference
**Dementia: From Prevention to
End-of-Life Care**

Friday, June 16, 2017

Baycrest Health Sciences, 3560 Bathurst St., Toronto

The morning program will also be available via OTN videoconferencing and webcasting.

This conference is supported by the Dr. Ira Pollock Memorial Endowment Fund
and the Dr. Wulf Grobin Memorial Endowment Fund

Content

Lectures and workshops focus on geriatric practice for family physicians and allied health care professionals involved in the care of the aged population.

Learning Objectives

The participant will be able to identify new approaches to some common clinical problems in the older adult with dementia.
